5. **Financial Reports** – Public Health Fund 003, PH Catastrophic Fund 046, and Animal Control Fund 020 - Budget comparisons through September 20, 2022, were presented for review. Sandra Schleicher noted that we are waiting for Health Protection and Covid grant money. The Health Center has been getting reimbursed for vaccines. Environment Health has more temporary permits being issued after Covid. The new shed down payment was part of expenses. Animal Control has been working on getting residents compliant with their pet registrations.
6. **Unfinished Business**
 - a. Covid update – Lori Stangl gave an update that the county is at a high level of transmission for Covid. The health center is giving vaccines to those 6 months of age and up. There are some cases of Influenza A. There are no cases of monkey pox in the county and state numbers are decreasing. There are cases of the Ebola virus in Uganda which causes concern here.
 - b. Discussion and possible action regarding Environmental Health Food licenses—No Quorum so no action taken.
 - c. Discussion and possible action regarding Environmental Health Permit fees—No Quorum so no action taken.
7. **New Business**
 - a. Crescent Community Health Center report – Gary Collins and Barb O'Hea presented information on services available to county residents at Crescent Community Health Center in Dubuque. They invited board members and staff to come to the facility for a tour.
 - b. Discussion and possible action regarding 2023 Board of Health and committee meeting schedule—No Quorum so no action taken.
